OLD BUSINESS:

There was a meeting held last Saturday night before the Saturday Night Candlelight meeting to gauge interest in our area hosting OCNA 2025.

NEW BUSINESS:

- At the meeting that was held to gauge interest in OCNA 2025 there were 6 people who attended. There was a list of 12-14 active members who have willingness to help execute OCNA 2025.
 - We came to the conclusion that we think that there is enough interest to move forward with a vote from GSRs to submit our ticket to Region in October 2023.
- There were questions raised as to the timing of having our area GSRs to meet with their groups in order to have a vote before next Regional Meeting.
- A motion was submitted from Rachel H. to have an emergency meeting before our next ASC so that RCM could have our vote in time for the next Regional Meeting.
